Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claim 1. (Previously Presented) A method, using a personal computer device having a GPS receiver, of populating a database comprising:

determining, by the personal computer device using its GPS receiver, a location at which the personal computer device becomes relatively immobile;

transmitting, by the personal computer device, the location at which the personal computer device becomes relatively immobile to a server;

receiving, by the personal computer device, information regarding the location from the server; and

requesting, by the personal computer device, that the server store the information in a database associated with a user of the personal computer device.

Claim 2. (Previously Presented) The method of populating a database of claim 1 wherein determining a location at which the personal computer device becomes relatively immobile comprises:

evaluating the position of the personal computer device using the GPS receiver;

waiting a preselected time period;

reevaluating the position of the personal computer device using the GPS receiver;

and

determining if the position of the personal computer device before and after waiting the preselected time period is substantially the same.

Claims 3-29. (Cancelled)
